Objective

Highly motivated and disciplined professional seeking a challenging role in the aviation industry. With a background in the United States Marine Corps Reserve as an Aviation Ordnanceman, I bring expertise in managing time efficiently, developing a strong sense of discipline, and excelling in fast-paced environments. Experienced in assembly, troubleshooting, and repair of electrical and mechanical components, I am ready to join a dynamic team. Seeking opportunities to use my strong technological background, attention to detail, and commitment to safety to drive operational excellence and contribute to the success of an aviation organization.

Experience

United States Marine Corps. Reserve - *Aviation Ordnanceman (6541)*

- Manage time efficiently under superiors' orders.
